

Residents Okay Plans to Form Sewer L.I.D. 23

Authorization to proceed with formalities in formation of Local Improvement District 23, Lake Cascade area, was expected to take place at the Central Contra Costa Sanitary District Board meeting scheduled for last night as the Sun was going to press.

Proposed establishment of the new local improvement district was the subject discussed at an informational meeting for Lake Cascade area residents, held Thursday of last week at Orinda Grammar School. Almost 100 property owners were present and from 75 to 80 per cent indicated they wished the sewer installation project to go ahead.

OVER 100 HOMES
The proposed L.I.D. includes about 300 parcels of land in the hill area behind Lake Cascade, with slightly over 100 homes already constructed in that locale.

Dr. H. L. Blum, county health officer, told the group that a large percentage of septic tanks in the region are not operating efficiently. He said there was probability over 90 per cent of them were leaking now because of the current rainstorms.

LEAKAGES
Dr. Blum reported that a survey conducted last August revealed 43 out of 107 occupied houses had leaking septic tanks, besides 10 suspicious cases, an average of over 40 per cent.

Jack Harrison, member of the state-sponsored water pollution board, said escaping septic tank effluent is a violation of the state laws.

Manager-Engineer John Mason described procedures in establishing a new local improvement district and explained the financing.

Some of the objections raised at the mass meeting were based on cost of the project, lack of development of the area as yet and assessment problems.

General Guild Elects Officers

The General Guild of the Orinda Community Church met at the church January 9, at noon. Almost 50 women representing all five sections were present. After a social half hour and the serving of coffee, tea and dessert by members of the 1950 board, reports from past officers were read.

These all showed a heartening record of Guild accomplishments philanthropically for various benevolences and for its specific contribution of \$1,000 to the building of a new kitchen.

After a talk by Rev. Fred Morrow on the theme of service to one's family, church, community and the world, he inducted the following officers for 1951:

President, Mrs. Richard P. Hafner; vice president, Mrs. Ralph Phelps; recording secretary, Mrs. J. Almond; corresponding secretary, Mrs. Charles Blue; treasurer, Mrs. Paul Booth; auditor, Mrs. Charles Pimentel; historian and publicity, Mrs. G. Chester Brown; program, Mrs. H. Harris; membership chairman, Mrs. Lou Branch; philanthropy, Mrs. Jesse McMillan; ways and means chairman, Mrs. D. M. Anderson; kitchen supervisors, Mrs. Peter Veitch; commissioner, Mrs. Madge Barnes; thank offering chairman, Mrs. Kenneth Hauter; devotional chairman, Mrs. John Ogden; and adviser, Mrs. Stanley Hunn.

The next meeting of the General Guild will be on Tuesday, March 6, and as usual, at the church at 12:30.

Orioles Outline Plans for Party

The Orioles had a business meeting at the home of Mrs. F. M. Silva, 1 Crest View Drive, Wednesday of last week, presided over by Mrs. Carl Wellington Smith, president.

After a social half hour the hostess, assisted by Mrs. Smith, served coffee and dessert. In the meeting which followed, tentative plans were outlined for a luncheon and card party at the Diablo Country Club on May 9.

Working on the ways and means committee with Chairman Mrs. Silva will be Mrs. Calvin Hagstrom, Mrs. Bert Moore, Mrs. Marvin Bonds and Mrs. T. M. Harter.

The luncheon will be a benefit affair for the Child Therapy Center of which the Orioles are the Orinda afternoon auxiliary section. The next meeting of the Orioles will be on Wednesday, February 14, at 12:30 at the home of Mrs. A. A. Schmidt, 4 Valley View Drive.

Sycamore Branch Meets at Club

Incoming and outgoing officers were feted by members of Sycamore Branch of Children's Hospital of the East Bay at an early-January post-holiday afternoon party at Orinda Country Club.

TEN CENTS

FIGHTING DONS gave Albany a mighty tough struggle before allowing the visitors to eke out narrow victories in last Friday night's league openers at the Acalanes court. This picture of the Varsity game shows one of the many thrill-packed moments of the evening. Bob Borghesani (No. 16) goes high in the air to hit for two points for Acalanes despite "heavy guarding" by Albany's Bill Breatt. In the background are Art Siler of Acalanes (No. 8) and Drennan of Albany (No. 19). In the foreground is Bob Winkelnbach of Acalanes (No. 19). Final Varsity score: Albany, 46; Acalanes, 44. Sue Orinda Driver \$200,000 Damages

Damages of over \$200,000 were asked of James E. McDaniels of Orinda last week, aftermath of a Walnut Creek accident involving his car and that occupied by four San Francisco people September 24 during the Walnut Festival.

Marvel Edwards, driver of the other car, his wife, Margie, Bernice Cornwall and Eldon Bowen seek payment of damages. In their suit, they claim their car was struck from the rear by McDaniels' car when they were halted by a Walnut Creek traffic officer. They allege their Cadillac was knocked forward 150 feet by the impact.

The suit claims McDaniels was driving "while under the influence of intoxicating liquor." Each of the four bringing suit ask \$25,000 general damages plus another \$25,000 each for exemplary damages. Edwards, owner of the car which he was driving when struck, also asks \$1,000 for repairs and \$400 he says it cost him to hire transportation while his auto was being repaired.

The four plaintiffs are represented by San Francisco attorneys John H. Lenz and Joseph Abihider. The Walnut Creek police report of the accident listed McDaniels' address as 79 La Cresta, Orinda.

Hill 'n Dale to Dance Tonight

A gay round of cocktail parties is scheduled for this evening, with hosts and guests planning to proceed to the Hill 'n Dale dinner dance festivities at Orinda Country Club.

The long list of reservations has been handled by Mr. and Mrs. Edgar B. Stewart, who, with Messrs. and Mesdames Robert Bridges, Nathaniel Dodge, George Richardson, William Fleager and William Babcock are members of the board planning the dance series.

Among those planning to entertain before the event are Messrs. and Mesdames Nathaniel Dodge, Paul Ayer, Donald Norman, Thomas Rodgers, Ray Montague and Thomas Boothe.

The next affair has tentatively been set for April.

Mothers Club Plans New Variety Show

Remember what fun Absurdia in Suburbia was?

Mothers Club is going to give another extravaganza this year on April 20 and 21. By popular demand, the Orinda Mothers Club fund raising activity for this year will be another variety show.

However, officers felt that the time and effort needed to produce the entire show was more than could be asked of the community this year.

Add 500 Acres to School District

Some 500 acres in the Sleepy Hollow area were transferred from the Briones Valley School District to the Orinda School District Monday, by order of the County Board of Supervisors.

Superintendent Joseph L. Sheaff of Orinda told the supervisors no students would be removed from the Briones School by the annexation, since none from the area attend Briones, whereas 12 attend Orinda School.

Albert Costa, clerk of the Briones Valley School Board, stated his district offered no objections to the annexation of the area to the Orinda district.

Gas Rate Raise Hearing Thursday

Hearing on application of the Coast Counties Gas and Electric Company for a gas rate increase to produce \$1,556,000 in additional revenue has been set for next Thursday by the State Public Utilities Commission. The hearing will be held at the Hall of Records, Martinez.

The company seeks a 6.25 per cent return on its gas properties. The commission was told rate increases are justified by higher prices the company has to pay for the natural gas it buys and by higher costs of materials and supplies and wage increases.

Altar Society to Sell Rummage

Plans have been formulated by the Altar Society of Santa Maria Church for a rummage sale at Norway Hall, Piedmont Avenue, Oakland, February 12 and 13.

Since a quantity of clothing and household items will be needed for the sale, members are urged to collect articles that are usable for this project.

Anyone wishing to contribute is asked to contact Mrs. A. B. Scollard, general chairman, or Mrs. C. E. Cook

Zach Montgomery Elected Chairman Of Civic Affairs

Orinda Association's Civic Affairs Committee picked a new chairman and a new secretary Monday night.

Meeting at Orinda Grammar School, the group unanimously elected Zach Montgomery chairman and Mrs. Libby Ballard secretary.

Montgomery, who recently became an Orinda fire commissioner, was not, however, among the 14 present, and Mrs. Seaver's election was, at her own request, on a tentative basis.

Montgomery replaces Bob Clough, who moved to Alamo January 3.

Harold Rote acted as chairman of Monday night's session, at suggestion of Frank Cayting, who had nominated Montgomery.

Mrs. Helen Vurek, committee secretary for the past two years, opened the meeting by announcing that Clough had resigned because of his having moved. She added that a new chairman and secretary are usually elected in January, anyway.

Following the election of new officers, Mrs. Vurek reported that membership-dues bills for about \$1,500 had been sent out by Mrs. Martha Chantler, association secretary-treasurer, since the recent membership drive of the Orinda Association and that a little over \$1,000 in dues had come in.

Ballots for election of association directors were mailed to members Monday, she said. Candidates for the five openings on the Board of Directors are Joseph De Costa, Harold Rote, Mrs. Edward De Laveaga, Kendrick Morrish, Norman Coates, Jack Buchter, Mrs. Thomas N. St. Hill and Stanley Allen.

Rotarians See Baseball Movies

Colored movies entitled, "Baseball with the Oaks," were shown at Wednesday's Orinda Rotary Club meeting. The film was presented through the courtesy of the Oakland Tribune, with Ben Randall and Bob Nordquist serving as projectionists.

Bill Worden's talk on Mexico City was the feature of last week's session, according to Wayne Seroy, publicity chairman.

Worden humorously described his travelogue, "How a Travel Agent Takes a 10 Day Tour of Mexico City in 2 Days."

Orinda Rotarians who made the Reno tour Saturday and Sunday in the Ninth Annual East Bay Rotary Clubs' Inter-City meeting were Frank Olsen, Paul Pease, Bill Seroy, Leighton McGregor and Stan Massey.

Cubs Collect Food For Needy Family

Walter Bumgarner of Ardilla Road and the denner of Den 4 of Cub Scouts and the six other boys of his den did a magnificent job in collecting food for the Christmas dinner for a poor family in San Pablo.

This family numbered the parents and 12 children. Due to the generosity of the area about the boys' homes, for which they now wish to publish their thanks, enough food was collected not only for the poor family's Christmas dinner but enough over to last them for three or more weeks. A fine job, boys.

'Buffalo Bill'—Tomorrow's Show

Teatro para Ninos presents tomorrow, 1 to 3 at Orinda School, the exciting film "Buffalo Bill" with Joel McCrea, Maureen O'Hara and Thomas Mitchell, in technicolor.

Set in the grandeur of our West, the life of William Frederick Cody becomes one of the most thrilling screen plays of recent years.

Orinda Barbershoppers In S.F. Show Tomorrow

The Orinda Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., will participate in the Pacific Coast Barbershoppers' Show at the San Francisco Opera House tomorrow afternoon.

President Bob Stice of the local chapter stated that the Orinda group will participate as a chorus, with about 40 members.

Next Wednesday night the Orinda Barbershoppers will sing for the veterans at Oak Knoll Hospital.

Grand Jury List Has 2 Local Men; Lynn Is on Again

The names of Neill Cornwall, Rahara Drive, Lafayette, and H. T. Lynn, 12 Woodland Road, Orinda, were among the 30 selected on the master list for the 1951-52 grand jury. Announcement was made Wednesday by Contra Costa County's three superior judges, Homer W. Patterson, Hugh H. Donovan and Harold Jacoby, who each selected 10 names.

Lynn was a member of the 1949 grand jury on which he served as chairman of the Law Enforcement Committee.

Selection of the final 19 person grand jury will not be made until June. The present grand jury will submit its annual report on the final day of its term, June 30.

Blossoming of Signs Described

Road signs being erected by the Sleepy Hollow Improvement Association and the Glorietta Improvement Association were described to the Civic Affairs Committee of the Orinda Association Monday night.

Not only that, but a typical Sleepy Hollow sign was displayed, with light-and-darkness effects.

John D. Nicolet, representing the Sleepy Hollow Improvement Association, held up a redwood sign painted in white, with the name "Tarry Lane" in black letters upon it. At his request, the lights in the Orinda Grammar School auditorium (the meeting room) were turned out, and someone projected a flashlight beam on and around the sign.

The effect was startling. The road name stood out boldly, against a shimmering illuminated background.

Nicolet explained that after the sign is painted and lettered, tiny glass beads are salted on it, giving the luminous effect.

Nine such signs have been erected, he said—at Lombardy Lane, Tarry Lane, Sleepy Hollow Lane, Van Tassel Lane, Van Ripper Lane, Snowberry Lane, Irving Lane, Crane Court and St. James Court. Probably 10 more will be put up, he added.

Frank Cayting of the Glorietta Improvement Association reported that the organization put up 13 signs last weekend, at the intersections of Glorietta Boulevard.

The signs are white metal with black letters.

Mrs. Helen Vurek reported shelves, built at Acalanes High School from funds from the Orinda High School Mothers Club, have been delivered to the county library's Orinda branch in the basement of the Community Church.

Frank R. Hart, president of the Moraga Highlands Association, talked on the desirability of having the county take over a one-and-one-quarter-mile stretch of Overhill Road which is not now a county road.

Advisability of reviving studies on incorporation was discussed.

"Incorporation may be the answer to our problems," Cayting commented.

Talk on Russia

H. Stevens, veteran of 23 years of naval service, five of them on active duty, will talk on "Russia and the Aleutians" before the Orinda Lions Club next Wednesday, 7:30 p.m., at the Orinda Willows.

John Stoffel, program chairman, will introduce the guest speaker who is attached to the Navy public information office.

Rain and Frost! How About Sun?

If Oakland doesn't have the damdest time with our weather reports, Orinda temperatures fell to 30 degrees Monday night, sez they.

How about the 28 degrees on the 13th, sez we. And why not come up and see our weatherman? He could tell you our maximum temperature for the week from January 10 to 16th was 56 degrees.

Stretch Orinda boundaries a bit and we had snow, too. On Mt. Diablo Monday—an inch of snow fell there Monday afternoon, blanketing the peak and extending down the slopes about 100 feet.

We had rain too, 2.16 inches for the week with total since July 1 now mounting to 25.54 inches in our rain barrel.

No question about it. Mention anything in the weather line and sooner or later Orinda will have it. Even sunshine and warm weather.

Committee Probes Orinda's Role on Highway Group

How to increase Orinda's participation in the work of the recently formed Diablo Highway Improvement Federation formed a major portion of discussion at Monday night's meeting of the Orinda Association's Civic Affairs Committee.

Horace Breed, association delegate to the federation and a member of the board of the highway body, reported at length on the nature and progress of the area-wide federation.

Pointing out that Orinda's traffic problems as well as those of the entire area are the concern of the federation, Breed stressed:

"If we're going to get anywhere with the State Highway Commission and the Board of Supervisors, we've got to be organized."

The question arose as to whether each individual improvement association in Orinda should send \$5 to the federation for 1951 membership or whether representation of the various Orinda groups should be through the Orinda Association.

Breed explained that the Federation, meeting in Lafayette has a board of directors and a larger group known as a council.

Frank Cayting suggested that Orinda Association represent the different Orinda organizations on the council, but that individual local groups send in their dues if they wish to help the Federation financially. They would then also be free to send representatives to the council, he pointed out.

It was decided to take the matter up with the various Orinda organizations and for reports to be made at next month's Civic Affairs Committee meeting.

Classrooms Key Need of Orinda

At a four-hour special session Monday night at Orinda Grammar School, the Orinda School Board took a squint at the district's rapidly growing school population and postponed any action on plans for an all-purpose room at Glorietta School until an indefinite later date.

The board studied preliminary plans for such a room prepared by Jack Buchter, architect, but decided that additional classrooms and buildings represented a more pressing need.

About \$50,000 had been set aside for a multiple-purpose room, according to Supt. Joseph L. Sheaff. Buchter estimated cost would be around \$84,000.

Following the meeting, Sheaff pointed out that the board anticipates buying two pieces of land for schools. "At the rate we're growing in school population, if we don't get more classrooms we'll be in a pickle," he observed.

Estimates in connection with the \$400,000 school district bond issue voted last July were for \$40,000 for land and \$40,000 for an all-purpose room at Glorietta, leaving \$320,000 for building two new schools, Sheaff recalled.

However, he said Buchter estimated cost of building one school of seven rooms would now be between \$180,000 to \$200,000.

Student enrollment of 870 by June, 1951, had been anticipated for the district. Today it is 941.

Youth Luncheon Held at Demeters

The buffet luncheon held Sunday at the home of Mrs. Paul Demeter for St. Stephen's young people was a general get-acquainted meeting followed by a discussion of plans for the year.

It was decided to meet every other Sunday at 7 p.m. at different homes. A committee was elected to nominate a panel of officers and to act as a program planning committee, Caroline Demeter was named chairman, with Sven Groennings and Dorothy Floyd to assist her.

600 Register for Adult Classes

More than 600 people have registered for the Acalanes Adult Winter Quarter. According to David Stewart, adult education director, all classes are still open with the exception of Folk Dancing.

Among the new courses open are several just added to the adult program this quarter: Still Art Life, Bookkeeping and Shorthand, Basic First Aid, Great Books Discussion, Millinery, Public Speaking, Beginning Social Dancing, Tailoring of Women's Suits and Coats, and Creative Writing.

All courses are now organized and underway with exception of Creative Writing, which will begin on January 29. The course will cover writing for both business, fun and profit. It will be taught by Mrs. Edith Shafer.

Further information on the Acalanes Adult program can be secured by phoning the high school Monday through Thursdays, 7 to 10 p.m. at Walnut Creek 6707.

Four Months Go by And Still No Action

If a major disaster occurred tomorrow (bombing here or in the Bay Area, for example), there is no linking group between the county disaster council and the residents of the community. There is no organization . . . no coordination . . . no method to instruct us what to do.

At present our greatest need is for coordination between the disaster relief groups and the people. All that is required is a local person to serve as a coordinator — with perhaps a two-man committee to aid him.

Logically, this group should be established within the framework of the Orinda Association. Orinda is fortunate in having such an able, well-organized group to do this task.

This committee can study our purely local problems, work with existing disaster relief groups and, most important, be prepared to expand when over-all plans become available.

All incorporated areas — large and small — are doing this . . . Our need is not less because we are unincorporated. Actually the need is greater because we do not have existing city organizations.

We recommend that our community immediately take steps to establish a coordinating committee. And we believe that a smooth-functioning committee will be welcomed by the County Disaster Council.

If the above paragraphs sound familiar, it is because they are from an editorial printed on this page September 8.

More than 17 weeks have passed and very little has been accomplished to assure coordination between Orinda and the county in event of an emergency. Other unincorporated areas, in Alameda County, for example, have long since formed disaster councils. They did not wait to be told to do so; they did it on their own initiative.

Our county's Disaster Council, headed by Sheriff Long, has issued a call for wardens and has distributed pamphlets. It is continuing to make plans and set up over-all organizations.

The Orinda Association has been cooperating in the problem of local civilian defense, and the Orinda Fire Department has issued a call for auxiliary firemen, in line with the state civilian defense and disaster relief plan. And, of course, the Red Cross Chapter is prepared to act.

But, to our knowledge, we still do not have an organization or anyone to turn to on the local level. There are no links tying these groups together.

Let us get together now and solve this problem. Let's do it now.

Cap Sandford Sez:

THOSE DOUBLE-BARRELED NITWITS dashing about our roads at high speed, often driving on the wrong side of the road!

Their theory seems to be that in the event of someone being in the way, they might be able to stop . . . and then they might not. To these and such as they, I say:

Why not try to concentrate and drive like unselfish, sensible individuals, giving some thought to the lives and safety of your fellow humans?

THIS ZONING BUSINESS — if my memory serves me properly, some years ago, when an effort was being directed towards planning for the future, I recall that one person was strong for a somewhat closeknit business district.

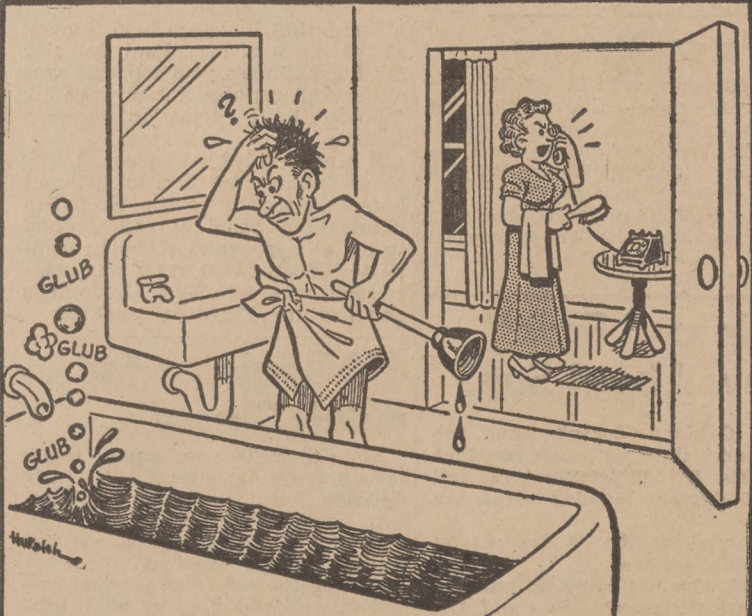

If the community is ever to amount to anything from a business standpoint, something very definite must be done about zoning for business.

It is necessary to plan shopping areas which can be utilized by pedestrians to the best advantage and where, also, large permanent automobile parking lots can be established.

I am willing to volunteer a good deal of my time to help in such development, when and if people will abandon the present Me-First-and-All-the-Time attitude and adopt the slogan: Pro bono publico.

Sacramento Report

Legislature Back in Regular Session; 5,000 Bills To Be Offered This Month

By ASSEMBLYMAN ROBERT L. CONDON

ONCE AGAIN THE STATE LEGISLATURE has convened in regular session at Sacramento, and, as in the past, I shall issue weekly reports on legislative happenings.

It is expected that the session will continue for about three weeks in January, recess for approximately six weeks, and then reconvene in the middle of March. The second part of the session will probably extend well into the month of June.

DURING JANUARY MORE THAN 5,000 BILLS will be introduced. After March, these measures will be heard by committees, debated, amended, voted on, and probably some 1,500 will wind up on the Governor's desk to become law after his signature.

ON THE OPENING DAY the Governor delivered his message, emphasizing civilian defense, to a joint session of both Houses. The Senate and Assembly both unanimously re-elected their 1949 officers.

This means that in the Assembly Sam L. Collins of Orange County will again serve as Speaker, Thomas Maloney of San Francisco will be Speaker Pro Tempore and Senator Harold Powers of Modoc County will be President Pro Tempore of the Upper House.

DURING THE JANUARY SESSION there is no limitation on the number of measures each member can introduce. At the end of the first week, more than a thousand measures were thrown into the legislative hopper. The Governor presented his \$1,016,883,002 budget, an 1184-page document about the size and weight of the San Francisco telephone directory.

TWO INITIATIVE MEASURES have been directly submitted to the Legislature. One would abolish the present cross filing system whereby candidates can file for public office in more than one political party's primary election.

The other would liberalize the old age pension system, return the administration to the State from the counties, and cost an estimated 50 to 100 million dollars annually. Both these measures must be acted upon during the January portion of the session. If no action is taken, both will be on the ballot in the 1952 general election.

THIS IS REAPPORTIONMENT YEAR IN SACRAMENTO. The existing 80 Assembly Districts must be re-defined to correspond to population growths.

It is almost certain that Contra Costa County will have two Assemblymen instead of the present one. In addition, seven new Congressional districts will be added, boosting California's House of Representatives delegation from 23 to 30.

OF SOME LOCAL INTEREST were bills which I introduced to authorize a bay bridge from Richmond to Marin County; to add two Superior Court judges, and to set up a Municipal Court with four departments in the City of Richmond.

The purpose of this weekly report is to try to keep the citizens of Contra Costa better informed on State political developments.

Supervisors Recommend Judges' Raise; Employment Up Due to Defense Jobs

Contra Costa County supervisors on Monday recommended increasing the salaries of Superior Court judges in the county from \$12,000 to \$15,000 a year.

The recommendation was in line with a request of the Contra Costa County and Richmond Bar Associations.

Earlier the board had followed a request of the two associations and recommended increasing the number of judges in the county from three to five.

DEFENSE WORK UPS EMPLOYMENT

Upsurge in employment in this area because of defense work is reflected in the mid-year fiscal report of County Social Service Director William Golden.

Golden, in a report to the Board of Supervisors, revealed that general assistance relief payments in the first six months of the 1950-51 fiscal year were below the estimate when the budget was made, and it was possible the budget for this item would have an unexpended balance of approximately \$150,000 at the close of the fiscal year.

HOUSING UNITS — FOR DEFENSE WORKERS ONLY

County supervisors and officials of the Richmond Housing Authority agreed this week to prevent any future relief problem resulting from rentals in housing authority units.

Housing authority officials told the supervisors all defense workers now being granted housing in the units will be required to vacate the units when they leave their present employment.

FLOOD CONTROL PROJECT

The Board of Supervisors has directed County Auditor-Controller D. M. Teeter to draw a warrant to cover Contra Costa's share of a \$38,000 flood control project passed upon by State Engineer A. D. Edmonston.

Under the state-county matching arrangement \$19,000 will be posted by the state to finance the work on repairing flood damage along Walnut Creek.

The balance will be raised by the county and Central Contra Costa Sanitary District with the latter to expend \$10,687, it was announced.

PLANNERS CHOOSE OFFICERS

The County Planning Commission last week reelected J. P. Connors chairman and E. H. Ward vice-chairman for 1951. Gerald F. McCormick, who has succeeded Rene Narberes (resigned) in the post, was again elected secretary.

PLEASANT HILL ELECTION TODAY

Pleasant Hill area residents will go to the polls in a special election today to vote on proposed establishment of a Park, Recreation and Parkway District.

The election is sponsored by the Pleasant Hill Recreation Council which has conducted several months of extensive investigation into the recreational needs of the area.

Date of the election was set by the County Board of Supervisors.

MARTINEZ-BENICIA BRIDGE

The Contra Costa Board of Supervisors was advised Monday that the San Francisco Bay Area Council has recommended a Martinez-Benicia bridge in its proposed master plan of toll crossings of the bay region.

JUDO INSTRUCTOR AT J.C. CAMPUSES

Employment of Ray L. Law of Oakland and Lafayette to instruct police officers and firemen in judo and ju-jitsu was authorized last week by trustees of the Contra Costa Junior College. He began part-time instruction Monday.

Law, who holds the "black belt," highest degree in judo, will conduct courses at both Contra Costa Junior College campuses.

EAST CAMPUS

Installation of temporary buildings on the permanent site near Pacheco in order to begin operation of East Campus classes there next September was authorized last week by the Board of Trustees of the Contra Costa Junior College.

Metal buildings acquired from the government will be erected on the site and grounds will be landscaped with a view to making the project an attractive one that will meet with the approval of home owners in the area.

\$1,500 EASEMENT PAYMENT OKAYED

County supervisors have directed payment of \$1,500 for an easement for a sewer line from the Juvenile Hall on the Arnold Industrial Highway to the main plant of the Central Contra Costa Sanitary District.

Acalanes Parents Hear Dr. Snyder Explain Problems of College Life

Dr. Rexford Snyder, director of admissions at Stanford University, gave parents a complete picture of the parent's and student's place in the college picture when he spoke at the Parents Club meeting Monday night at Acalanes High School.

He outlined the basis for admission to college, stating that Stanford rates 30 per cent on grades, 30 per cent on the college admissions test and 40 per cent on the student's "citizenship" record, both in school and his community.

PICKING THE SCHOOL

He stressed the desirability of selecting the right school with relation to the studies the student wished to pursue, and spoke of the many students who had no idea of the major he wanted at the time of entering college. The fact that not all high school graduates were potential college material or would find what they sought there should be faced by the parents, he stated.

Once admitted, there are numerous pitfalls which beset the unwary freshman, from old-fashioned homesickness to becoming grinds or playboys or girls, for which the parent could help prepare the student.

TRADITIONS CHANGE

On the brighter side of campus life, he advised against preparation. Traditions, in particular, he elucidated, were things ephemeral, and what father considered a haloed tradition might be discarded for another haloed tradition of two or three years' standing.

Father's fraternity might now be the stamping ground of "rounders" or "dry-balls," in contrast to his day. So, let the student find his own level, was his advice.

In conclusion, he stated that the Korean situation was having no effect on the Stanford campus in regard to loss of interest in academic achievement.

"In fact," he said, "we have used some of the veterans who have returned to their studies to talk in forums and other groups, to explain their feelings that grades should be maintained against the time that the student returns to take up his studies, and the fact that commissions were given out on the basis of grades upon entering the services."

FACULTY SKIT

Dr. Snyder's talk was preceded by the faculty skit that had caused so much comment when given at the

Christmas assembly.

The skit, representing a teacher's Christmas dream of a perfect class, which turned out to be straight from U.S.S.R., and (on his request to Santa) the return of the old class that starred Elmo Hurd as a carrot-chewing, drooped-pants cut-up, made a comparable hit with the parents.

Girl Scout Board Thanks Merchants

Thanks to Lafayette merchants for their support of the recent Christmas Tree Sale by Diablo Valley Girl Scouts were expressed this week by the board of the Area Girl Scout Council.

"The members of the board of the Diablo Valley Area Girl Scout Council wish to thank all the Lafayette merchants for their generous support of the 1950 Girl Scout Christmas Tree Sale," said Ida M. Pedder, council corresponding secretary.

"Their cooperation helped make the Christmas Tree Sale a real success."

Moraga Family of 4 Hurt in Crash

Mrs. Margaret Costa, her husband, Earl, and their two daughters, all of Moraga, were given medical treatment Thursday night of last week for injuries suffered when the car in which they were riding was involved in a collision near Concord.

Costa and the two girls, Margie, 8, and Joan, 5, were released after treatment. Mrs. Costa was taken to Herrick Memorial Hospital, Berkeley, for treatment for fractured ribs and possible internal injuries.

Edward F. McGuire, 260 Gregory Lane, driver of the second car, was reportedly uninjured in the collision.

Schwarz to Run Bar, Restaurant at Hotel

Gus Schwarz, formerly co-partner in the Tunnel Inn, has recently taken over operation of the Las Palmas Hotel restaurant and bar in Walnut Creek, it is reported.

Details of the transaction between Steve Forbrag, owner, and Schwarz were not disclosed.

Schwarz, who was a Lafayette restaurant operator for many years, has been in retirement for the past two years.

Orinda Branch Has Two New Members

The Orinda Branch of the Children's Hospital announces two new members, Mrs. Robert Bridges of Lafayette and Mrs. Beach Dean of Orinda.

Officers for the coming year will be Mrs. Vad Jelton, chairman; Mrs. Emmett Kilpatrick, co-chairman; Mrs. Lyle York, recording secretary, and Mrs. Dan Sheldon, treasurer.

To Auction 9 Land Parcels

Public auction of nine separate parcels of Contra Costa County real property will be held Monday, according to announcement made today by State Controller Thomas H. Kuchel.

Kuchel said some of the parcels include several lots located within the city limits of Richmond, while others are outside the city limits in the San Pablo School District.

The properties were acquired by the state from the estates of the late Ambrose Vallerio and Richard Fer, who died without heirs. The proceeds of the sales will be deposited in the State School Fund in accordance with the law.

The properties will be sold separately to the highest cash bidder at the main entrance to the Richmond City Hall at 11 a.m. on January 22.

Details about the properties may be obtained at Kuchel's Oakland office, Room 702 Easton Building, 428 Thirteenth Street, telephone Glen-court 1-5927.

Mattsons Attend Writer's Party

Enjoying a reunion with several friends of long standing, Mr. and Mrs. Erwin Mattson of Thomson Road traveled to Rutherford last week to attend a party in honor of the writer, Jessamyn West of Napa. The occasion was held in celebration of the publishing of Miss West's newest book.

The author, whose latest book, "The Witch's Diggins," is just off the press, has also written plays and poetry, and is soon to conduct a workshop in creative writing at Mills College. The host for the evening's party was H. M. McPherson, superintendent of schools of Napa.

PLAN ROADSTER SHOW

Headquarters for the second annual National Roadster Show, slated February 20-25 inclusive, have been established at Oakland Exposition Building, where the mammoth show itself will be staged.

SCHOOL ATTENDANCE

According to figures from the office of Lafayette Grammar School, up to January 10 there were 1,008 families sending their youngsters to school in this elementary school district.

Your News Tip May Win You \$1

No doubt about it—that accident or that birthday party or that special award won by your friend would have made an interesting story in the SUN.

Why didn't it appear? Chances are the reason is that we didn't know about it!

To a large extent the SUN depends on information and "tips" from our readers.

To Elect Officers For Association

Officers to serve during the coming year are to be elected at a meeting of Acalanes Community Concerts Association called for Monday at 8 p.m. at 1810 Almond Avenue in Walnut Creek.

Board of directors are being notified to attend, but anyone interested in serving in the association are invited to be present, states Mrs. Harold Soder, secretary.

Giannini Urges Drive Support

"Keep the March of Dimes in business" was urged today by L. M. Giannini, state chairman of the March of Dimes, as he called on the people of California to join enthusiastically the 1951 March of Dimes, which began Monday.

"The National Foundation for Infantile Paralysis is in the business of fighting polio and it will require all the resources at our command to win that fight. The National Foundation, with its 80,000 voluntary workers and over 500,000 additional volunteers who carry on the annual March of Dimes, is your business. We are all in this fight to end the dread disease."

Faculty Wives Meet

The Acalanes Faculty Wives Club held their monthly meeting last week at the home of Mrs. Alex Winchester in Walnut Creek. There were about 25 members of the group present.

Community Concert Memberships Open

Membership campaign week for Acalanes Community Concert Association has been set for the week starting February 26, closing March 3. These dates were established at a special meeting of the board of directors held last week in Walnut Creek.

Miss Hester Grimm, representative from the Community Concert Service staff, was present to consult with and advise the local group. The association is organized on a membership basis, each member paying annual dues which entitle him to attend all of the concerts each season presented by the association. Memberships are obtained only during the one week campaign, and single admissions can not be secured. Anyone may purchase memberships at the usual rate of \$6 for adults and \$3 for students.

Volunteer workers assist in the solicitation of memberships, and artists are selected at the close of the drive week, varying according to the amount of money available for artist procurement. All workers

engaged in the activities of the association are residents of the area, volunteering their time in an effort to make possible the local appearance of famous and established artists in music and the dance.

New Church Officers Elected

Orinda Community Church members heard reports from their elected officers and leaders of auxiliary committees and organizations at the annual business meeting of the church on Wednesday evening.

Following a potluck dinner the meeting was called to order by Ralph H. Phelps, moderator, who presided over reports and elections. Among other matters of business attended to was the adoption of a budget for 1951. Growth and good prospects for the year were generally evident.

Officers elected were: Moderator, Arthur D. Henry; clerk, Carrie L. Brown; treasurer, Edward J. Turk; auditor, James G. Hupp; superintendent of Sunday school, Everett D. Howe; deacons, Leland T. Atkins and John Laird; deaconesses, Mrs. T. A. Schilling and Mrs. R. L. Baldwin; trustees, Wm. Penn Mott, Jr., Joseph R. Creighton and A. W. Reid; Christian education

committee, Mrs. Avon Brown and Roy A. Clark. Members of the deaconate already serving are W. E. Davis, C. P. Englesman, E. J. Fowler, Jr., Mrs. W. M. Modry and Mrs. W. P. Mott, Jr.

Hold-over members of the trustees are Stanley M. Hudd, Mrs. E. C. Drews and Donald P. Krotz. Education committee members previously elected are John W. McFarland, Kirk Miles and Mrs. John Ogden.

The church has a system of overlapping terms and rotation in elected boards. All functions are organized under the three main functions of trustees, diaconate and Christian education, and activities are coordinated in a monthly church council inclusive of all responsible leaders.

The board elected Stanley M. Hudd as its chairman Wednesday night, and chose W. Emery Davis as senior deacon.

Plan Meeting of St. Stephen's Auxiliary

The first general Women's Auxiliary meeting of St. Stephen's Episcopal Church will be held Thursday at 2 o'clock at the home of Mrs. T. E. Haley, 1 Via Hermosa.

An invitation to attend this meeting is extended to every woman interested in St. Stephen's Episcopal Church in Orinda.

Officers of the Women's Auxiliary will be introduced and there will be a short general meeting followed by tea. Assisting Mrs. Haley will be Mesdames H. W. Pillsbury, John R. Deane, Bill Maddox and Roy W. Johnston. Mrs. Evans Hammond, president, and Mrs. F. King Verleger, vice-presidents at large, of the Diocesan Women's Auxiliary have been invited as special guests. Inasmuch as the files are still incomplete, if any woman is interested in the activity of the Church

Orinda P.O. Receipts for 4th Quarter Up 66% Over Last Year, to \$18,000

Gross receipts for 1950 at the Orinda Postoffice jumped by over 50 per cent — from \$32,000 in 1949 to over \$48,000 last year, it was reported this week by Postmaster Laura Mallory.

Gross receipts for the fourth quarter soared by 66 per cent — from \$11,000 in 1949 to \$18,000 in 1950.

Pointing out that delivery routes are increasing at the rate of one a year, Mrs. Mallory said the peak day for outgoing letters, December 18, 1950, totaled 27,856 letters, as against 20,051 on 1949's peak day, December 17 — an increase of around 40 per cent.

PARCEL POST

Outgoing parcel post for the 10-day period preceding Christmas amounted to 556 sacks in 1950, as compared to 348 sacks in 1949.

Incoming parcel post for the same 10-day periods was: 1950 — 1,754 sacks; 1949 — 1,402 sacks.

For the same periods, pouches of letters received at the Orinda Postoffice numbered 235 in 1950 and 169 in 1949.

PROBLEM OF ROUTES

Just so you won't think these to be dry statistics, listen to Mrs. Mallory:

"The main problem we face is that of routes. The tremendous increase in our postoffice business is reflected in the increase in the number of houses served.

"We have to adjust to frequent changes. That's why the mail is sometimes late in reaching people, and why mistakes are sometimes made.

NEW RESIDENTS

"We were aware of the problem long before Christmas. The constant influx of new residents makes it

necessary to change the arrangement of cubbyholes in which incoming letters are sorted. We ask the people to be patient, and to try to understand our problem."

An ordinary rural route serves 400, the postmaster said. Because of the big increase in residents, a fifth route has now been added, for the Sleepy Hollow and Charles Hill areas.

Three of the routes, where population appears fairly static, have been mapped so as to serve approximately 400 each. The fourth serves around 315, the fifth around 260.

Next July 1 the Orinda Postoffice will become a first-class postoffice. Mrs. Mallory pointed out. To qualify for the first-class category a postoffice must take in \$40,000 a year in stamp sales and non-metered service. 1950's total at the local postoffice was about \$48,600, as against \$32,000 in 1949.

In case you're wondering why you frequently see Mrs. Mallory delivering mail, the following may help explain things:

Fred Golinbeaux of the postoffice staff cut his hand last October but kept right on working through the Christmas season. Recently he had to go to the hospital for a week.

Mrs. Josephine Dawson, a substitute clerk, was recently called to jury duty.

Right after Christmas three carriers and one clerk were sick.

"Thousands of pieces of mail are handled," the postmaster said. "We want the public to feel free to call up and ask about service.

"After the next couple of weeks the service should improve rapidly."

1950. Said bonds are part of an authorized issue of \$130,000 aggregate principal amount authorized at an election held in said District on November 21, 1950. The remaining bonds of said authorized issue will not be offered for sale prior to July 1, 1951.

MATURITIES: Said bonds mature serially in consecutive numerical order, from lower to higher, on December 15th in each year, as follows:

\$6,000 principal amount in 1952,
\$3,000 principal amount in each of the years 1953 to 1963,
\$4,000 principal amount in each of the years 1964 to 1967, and
\$5,000 principal amount in each of the years 1968 to 1971,

without option of prior payment.

INTEREST RATE: Maximum six (6) per cent, per annum, payable annually on December 15, 1951 and semi-annually thereafter on June 15 and December 15 in each year.

Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent, per annum, payable annually the first year and semi-annually thereafter.

PAYMENT: Both principal and interest payable in lawful money of the United States of America at the office of the Treasurer of Contra Costa County, Martinez, California, only from the revenues derived from taxes levied and collected on property within Orinda County Fire Protection District for whose account and purposes said bonds are issued.

REGISTRATION: Coupon bonds will be issued by the County. Such bonds are registerable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds are authorized by vote of a majority of the voters of said district voting at a special election for the purpose of authorizing bonds for the acquisition, construction and completion of 2 fire houses for said District equipped with engines and other necessary fire fighting facilities, equipment and apparatus.

SECURITY: Said bonds are not obligations of Contra Costa County, but are special obligations payable only out of revenues derived from taxes levied and collected on property within Orinda County Fire Protection District for whose account and purposes said bonds are issued, and said County has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within Orinda County Fire Protection District subject to taxation by said County, without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax Laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue, or

by decision of any Federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the County, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Messrs. Orrick, Dahlquist, Neff & Herrington, of San Francisco, approving the validity of said bonds, will be furnished to the successful bidder without charge.

TERMS OF SALE

HIGHEST BID: The bonds will be awarded to the highest and best bidder considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the County would be required to pay from the date of said bonds to the respective maturity dates at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the County. The lowest net interest cost shall be computed between the dates aforesaid according to thirty-day month standard four decimal municipal bond interest tables. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the District.

RIGHT OF REJECTION: The Board of Supervisors of Contra Costa County reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors of Contra Costa County will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for the receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given to the Board of Supervisors notice in writing of the withdrawal of such proposal.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer in Martinez, California, as soon as the bonds can be prepared, which it is estimated will be about March 5, 1951.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the County shall fail to tender the bonds for delivery within sixty (60) days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be unconditional; for not less than all of the bonds hereby offered for sale; and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Treasurer of Contra Costa County, Martinez, California, and endorsed "Proposal for Contra Costa County, Orinda County Fire Protection District Bonds — Issue of 1950".

BID CHECK: With each bid must be submitted a certified check or cashier's check for \$5,000, drawn on a bank or trust company transacting business in the State of California, payable to the order of the

NOTICE OF THE PROPOSED ANNEXATION OF TERRITORY TO THE ORINDA COUNTY FIRE PROTECTION DISTRICT IN CONTRA COSTA COUNTY

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

In the Matter of the Annexation of Certain Property to the Orinda County Fire Protection District RESOLUTION OF INTENTION TO ANNEX

WHEREAS, it is deemed advisable that the hereinafter described property be annexed to the Orinda County Fire Protection District in that said district would benefit thereby, as would the entire district,

NOW, THEREFORE, BE IT RESOLVED that it is the intention of the Board of Supervisors of Contra Costa County to annex said herein-after described property to the Orinda County Fire Protection District.

BE IT FURTHER RESOLVED that Monday, the 5th day of February, 1951, at 11 o'clock a.m., be set as the time and place for hearing said matter of annexation and that the Clerk of said Board publish notice of said hearing once a week for two (2) weeks in the "Orinda Sun," a newspaper circulated in the territory which is proposed to be annexed, and which is most likely to give notice to the inhabitants of the territory.

The property above mentioned is more particularly described as follows, to-wit:

Beginning at the northwest corner of the Rancho Acalanes being also a point on the south line of the Rancho Bocha De La Canada De Pinole; thence west along the south line of the Rancho Bocha De La Canada De Pinole to the southeast corner of Rheem's 500 acre tract being also the southeast corner of the May 17, 1948 annexation to the Orinda County Fire Protection District; thence north along the east line of said 500 acre tract to the northeast corner thereof; thence N 87° 07' 01" E,

Sections of Guild Announce Officers

The various sections of the Women's Guild installed officers and announced meeting times.

Section 5 of the Women's Guild meets in the evening on the second Tuesday of every month. Their officers for 1951 are chairman, Mrs. John Ogden; program chairman, Mrs. Robert Brown, secretary-treasurer, Mrs. A. K. Harmon, and ways and means chairman, Mrs. Ted Schilling.

SECTION 2 of the Women's Guild meets on the third Wednesday of each month at 12 o'clock. Its January meeting was Wednesday at

the home of Mrs. Richard Hafner. New officers are chairman, Mrs. Jim Hupp; program chairman, Mrs. George Bennett; ways and means chairman, Mrs. H. C. Mulder; devotional chairman, Mrs. William P. Mott.

SECTION 3, the Gift-Makers, whose main project is sewing for the annual fall bazaar, will meet once a month at the church. There will often be smaller group meetings at homes for working together on that group's particular project.

'Solution by Song' Is Sermon Title

Speaking on the topic "Solution by Song," Rev. Fred Morrow will give the sermon and lead worship at Orinda Community Church Sunday morning at 11 o'clock.

His text is Psalm 49:4: "I will open my dark sayings upon the harp." The full chorus under Margaret Popovich will sing "Bless the Lord, O my soul," by Ipalitoff-Ivanoff. All are cordially welcome.

Sunday church school sessions are held from 9:30 to 10:30, and at the church hour there is provision for younger children to permit attendance of parents at church. High school young people will hold their weekly meeting at 7 p.m. at the church building.

Cougar Wins Are Close—2 Points, 1 Point

Acalanes' Dons came within an ace of upsetting the dope bucket as they engaged the favored Albany Cougars in a pair of nip and tuck league basketball games last Friday night.

The Dons dropped both games in the final seconds when the visitors hit for winning buckets to romp home with a 25-24 Bee win and a 46-44 count in the Varsity game.

EARLY DON LEAD

The Varsity tilt found the Acalanes five coming out fighting and jumping to an early lead.

Albany scored first when Dick Pawson hit two foul shots only to have Acalanes' Bob Kleckner tip one in as Bob Fox missed on a charity toss.

Bob Winkench hit from 15 feet out, Fox hit on a second free throw and Bob Borghesani hooked one in from under the basket to give Acalanes a 7-2 lead.

KEEP UP PACE

The Dons kept up the fast-scoring pace, with Art Siler driving in for a set-up as the first quarter buzzer sounded with Acalanes out in front 16-6.

Bob Winkench hit on a jump shot to open the second period and Albany's Kramar tallied on a foul shot; then Bob Kleckner hit from the corner.

Siler missed a close-in shot seconds later, only to have Borghesani tip it in. Drennan of Albany was fouled going for a set-up and made both shots good to make the score 22-8.

AND AGAIN

Albany's Bill Brealt hit from outside the foul circle and Bob Borghesani hit again when Winkench made a beautiful pass to him close in to the bucket to keep the Dons out front 24-10.

Albany scored on two free throws and tallied again on a long shot by Drennan.

Art Siler missed on a free throw, then dropped a second chance through to bring the count to 25-14 as the half ended.

THIRD PERIOD

Siler started the third period off with a bang as he went in to score on a tip-off play.

Albany's Coach Ryan had evidently given his boys the word at half time, however, and they banged away at the hoop, led by Kramar and Pawson, who hit for six and eight points respectively in the third quarter, to come within five points of the Dons at 38-33.

FIELD GOAL

Pawson started the fourth quarter with a field goal and was not long in adding another to cut the margin to one point, at 38-37, with five minutes and 20 seconds of play remaining.

Johnson hit for Albany and Siler hit a foul shot to tie it at 39-39.

Borghesani tallied another field goal and Kleckner capitalized on a foul to give the Dons a short-lived 42-39 lead. Albany's Pawson made good from the free throw line and added another field goal.

Fox and Siler put the Dons out in front again with two free throws, only to have a "hotter than hot" Pawson hit again to tie it at 44-44. Seconds remained as the Dons made a desperate shot only to have Albany recover and Pawson putting on a Horatio Alger finish as he potted one from the far corner to give Albany a 46-44 win.

Bob Borghesani was high for the Dons with 16, while Dick Pawson of Albany tallied 20.

BEE GAME

The Bee game found the Dons unable to find the hoop for a field goal in the first quarter and Albany

gaining a 7-3 advantage as a result. The second quarter found both teams doing little scoring and it ended up with the visitors still in the lead 10-7.

TIED AGAIN!

The Dons warmed to the task in the third frame and with some sharp shooting by Norm Tuttle, Mike Klement and Mike White, plus some outstanding defensive play by Mike Elvidge, pulled up to an 18-18

tie at the three-quarter mark.

The fourth quarter found the fans on their feet a good part of the time as Wally Patch scored for Albany and Tuttle tied it all up again at 20-20 when he tanked one from 18 feet out.

With two minutes to go and the count 24-24, a double foul was called. Albany's Patch hit and Bob Westlund missed by a fraction of an inch, and that proved to be the ball game.

League Openers Show This Year's Pennant Scuffle Anybody's Guess

By ERWIN MATTSON

Contra Costa High School League season got under way last Friday night. If it proved nothing else it did show that the pennant race appears to be one of the closest in recent years.

All three winners were forced to come from behind in the final quarter to register all-important wins in the 1951 abbreviated schedule.

BY TWO POINTS

At Acalanes, Albany was forced to go all out before winning the Varsity game with a garrison finish 46-44.

Mt. Diablo traveled to Crockett and trailed most of the game, forging to a lead only after two of Crockett's regulars fouled out.

In the final two minutes the Devils went wild, hitting for 14 points and a resulting 44-36 win.

TIGHT DEFENSE

Antioch entertained Pittsburg and all but toppled the mighty Pirates as they played a tight defensive game to gain a 15-12 half-time advantage.

Pittsburg went ahead late in the second half and put on the freeze with two minutes to go, eking out a 28-23 win. No more than five points separated the clubs throughout the game.

Albany's Bees barely nosed out Acalanes, 25-24.

Alhambra, the only team in the league not to show, drew a bye.

Soss Squints in Crystal Ball at Tonight's Games

By PROF. SOSS OPPLER

Contra Costa High School League continues on its merry way tonight when Alhambra travels to Pittsburg, Albany and Antioch tangle at Albany and the Acalanes Dons meet up with Diablo's Devils at Concord.

On the basis of performances to date, Albany should register win number two, while Pittsburg stays at the top, at Alhambra's expense.

SCARE FOR DIABLO

Diablo was the pre season favorite but had a real scare when John Sweet led them all but the closing minutes in last week's opener.

Diablo boasts a veteran senior team paced by Vince Franks and Andy Anderson, two sharp-shooting forwards.

Frank Phillips, former Acalanes student, is the starting center, while Jerry Annis and Tom Kramar of football fame anchor down the guard spots.

Off of last week's showing, Coach Arth's probable lineup shows Bob Fox and Bob Kleckner at forwards, Bob Borghesani at center and Art Siler and Bob Winkench at guards.

Your Garden

Your Palate's Pleasure Will Be Served By Proper Planting, Care of Berries

By BERT WRIGHT

A PIE, a couple of shortcakes, a little jam, a few blueberry muffins—it's not too little to enjoy, or too soon to plan to plant.

Home gardeners have it all over the truck farmers when it comes to the number of fruits and vegetables it pays to grow.

For while the man who grows produce for a living has to grow enough of each crop to make it worth while to tend, harvest and sell, the home owner can raise "sampling" amounts of any number of things with great pleasure and considerable profit to the palate.

That backyard gardeners don't exploit the possibilities at all thoroughly is due probably to lack of familiarity with other than the usual kitchen crops and misapprehension about the cost and space they require.

HOW MANY gardeners, for instance, regularly grow any three or four of the fruits listed in the paragraphs that follow? Chances are you don't grow them yourself.

Yet do you know you can grow all of them, to yield a modest crop from early summer 'til fall?

One thing more you need to have success with any of these top varieties: willingness to plant with great care and perform the basic maintenance chores needed each year to keep them in hand and producing.

HERE ARE SOME of the better varieties, as well as older ones and new.

RASPBERRIES:

Indian Summer — A great new everbearing raspberry far superior to any other variety of this type. Produces two crops in one year. Extra early summer crop. Autumn crop starts in September and continues until freezes. Berries are large, red and soft. The plants are vigorous growers.

Latham — This variety will thrive under almost any climatic conditions and has therefore become one of the leading varieties in the nation. Attractive red berries of high

depth gives Diablo an edge.

A capacity crowd is expected to be on hand when the Bee game gets under way in Diablo's new gymnasium at 7:30 p.m. This will be Diablo's first league game on its newly acquired court.

quality. Bears midseason.

Sodus — New large purple raspberry considered heaviest yielder of all raspberries. Plants are hardy, vigorous and very productive of heavy annual crops. Ripens shortly after Latham variety.

Evans Blackcap — Although not the leading variety, this is one of the finest of the Blackcap variety. Sweet enough to eat without sugar. This variety should be grown on trellis. Does well in our climate.

Washington — Vines of this variety are exceedingly vigorous, red berry is large and very sweet. Long bearing period starting in early summer.

ALL RASPBERRY plants should be set early in the spring and are greatly benefited by liberal applications of manure, sulphate of ammonia or other nitrogen fertilizers.

They prefer a good, well-drained loamy soil or a soil that has been well supplied with humus (peat moss and manure). Do not permit the soil to bake or crust about the plants at any time.

WHAT IS A Nectarberry?

This question has been asked by a great number of you green-thumbeders in the past few weeks. Naturally, it is only a matter of opinion, and to each his own, but I believe that this is the finest berry that has come out of the world of magic yet.

Richest flavor of all berries, heavier yielding over a long period is this variety.

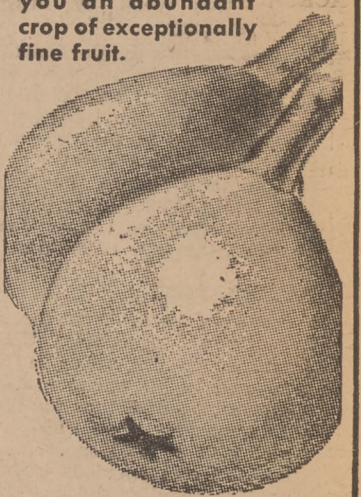

Originated from the seed of a large youngberry, attention was attracted by its particularly large juice cells, and the berries themselves, also, were the largest in the patch.

WHEN SAMPLED, however, the next surprise came, for there was so much more "body" to the flavor, and more flavor, as it seemed, and although sweeter, appeared to carry with it so much more of the tang of the raspberry that it was wondered if the bees had crossed the youngberry from which it came with the raspberries or blackberries in nearby rows.

YOUNGBERRIES start ripening their fruit soon after the strawberry season and at a time when there are few other berries.

Heavy Bearing FRUIT TREES

Every one of these selected varieties normally will give you an abundant crop of exceptionally fine fruit.

CHRISTIAN SCIENCE CHURCH

The subject of the Christian Science Lesson-Sermon for Sunday, January 21, is "Life" with the Golden Text taken from First John: "This is the record, that God hath given to us eternal life, and this life is in his Son" (5:11).

Included in the citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon, will be the following: John 5:26: "For as the Father hath life in himself; so hath he given to the Son to have life in himself."

Science and Health: "The universe reflects and expresses the divine substance or Mind; therefore

Pack 52 Learns About 'The Thing'

A cub song presented by members of Den 3, followed by the Pledge of Allegiance, opened the monthly meeting of Orinda Cub Pack 52 last Friday night at Orinda School.

Den doings for the previous month were reported to Cubmaster Shradder by each Denner and awards were presented. Dens 2, 6 and 7 all tied in total points to win the inspection award. Den 6 won the attendance award and Den 9 won honors for having each member winning at least one award.

An induction ceremony for new members was held which was made effective by having the lights turned out and the ritual carried on by campfire light.

Each den presented a short skit. Several were impersonations of radio personalities. Outstanding were the ones put on by Den 9, a shadow acting of "The first operation ever televised" and by Den 5, impersonation of the Arthur Godfrey show featured by "The Thing." When the box representing "The Thing" was opened it turned out to be the refreshments of the evening.

The next pack meeting will be held February 9.

Discussion of the forthcoming "Diablo District Cubbing and Merit Badge Show" at Acalanes High School February 10, 7:30 to 10 p.m., was a feature of the monthly committee meeting held Tuesday at the home of Dr. Miles Hudson.

Each Pack will have an exhibit of approximately 100 square feet floor area, demonstrating the work of the boys in obtaining their wolf, bear and lion badges. Number of dens and boys in the pack will be shown at each exhibit. Assistant Cubmaster Mulks will be in charge of the Pack 52 exhibit.

Commemorating the 41st birthday of the Boy Scout movement, the

theme for February will be "Blue and Gold." Cubs will work on decorations for a birthday party to be held at the next pack meeting. Each den is responsible for the cake for the cubs and parents in that den. The Pack will provide coffee for the parents.

The Committee decided to reinstate the "antless pants" award which will be given at the conclusion of each pack meeting to the den which has made the least noise and caused the least disturbance.

Auxiliary Board Plans Meetings

The Women's Auxiliary Board of St. Stephen's Episcopal Church met January 11 at the home of the president, Mrs. William S. Sparling.

A regular date for the board meetings was set for the second Thursday of each month, to be held at various homes.

Mrs. H. S. Doane was appointed delegate to the annual Diocesan Women's Auxiliary convention February 1 at Grace Cathedral, San Francisco. Mrs. Robert Moorehead was appointed to organize a permanent telephone committee.

A general discussion of the year's program followed, with special emphasis on the Diocesan Convention. Dr. and Mrs. Frederick A. Schilling were guests at the meeting and a delightful buffet luncheon was served by the hostess.

BISHOP'S COMMITTEE

At the recent meeting of the Bishop's Committee, Walter E. Christie was elected senior warden for 1951. Christie has been one of St. Stephen's most active members since its inception, having spent a great deal of time and energy in making the

I should be more "frank" when I say Inventory Sale. It would be better to say it's a "Lemon Sale." We have been house-cleaning and have dusted off a lot of old merchandise that just won't sell at the regular prices. To this we have added a few "seasonal specials." Some of it is good—real good; some of it is pretty bad, and then some of it is awful!! So—come on in and look around, anyway, I'm sure you'll find a bargain, because . . .
